

INFORMATION SHEET

THE ZODIAC ONLINE CLASS

INTRODUCTION:

Welcome to Narelle's Astro Online Astrology Classes! The 'Zodiac' online class is a truly interactive learning experience. Enjoy audio, visual and tactile presentations that you control. Learn at your own pace, anywhere, anytime!

ACCESS:

The online '[Zodiac' class](#) is the second class in the Beginner Astrology Classes series. You have access to this online class for **21 days** from the date of purchase. Explore the complete series of astrology classes at www.narellesastro.com '[Astrology Shop](#)'.

CLASS CONTENT:

This class covers everything you need to know about the twelve zodiac! Everyone is born under a particular zodiac constellation known as their horoscope or sun sign, and this provides information about key personality characteristics. Discover why an Aries is the 'adrenalin junkie' and Librans are known as the 'harmonisers', Taureans are 'steadfast' and Scorpios are the 'secret keepers'. With our demonstrative animations and interactive class you'll be an expert at drawing the zodiac glyphs and knowing all their characteristics in no time! *(over two hours of interactive e-learning class time including downloadable pdf class notes and a fun quiz to test your knowledge!)*

The screenshot shows the online class interface. On the left is a 'menu' with the following items: 'Things to do:', 'Learn the Zodiac', 'Polarities', 'Elements', 'Qualities', '12 Zodiac signs', and 'Quiz'. Below the menu is a 'print notes' icon. The main content area is a yellow notepad with handwritten notes and zodiac symbols. The notes include: 'Taurus sensual & stubborn!!!', 'NOTE: Aries brash & quick!', 'Leo... the lion', 'still have to learn symbols..', and 'do study cards'. A cartoon character is lying on a couch eating popcorn. At the bottom of the interface is a control bar with various icons. Annotations with arrows point to these icons: 'rewind', 'play/pause', 'back', 'next', 'slide progress', 'volume', 'TOC', and 'exit'. A 'TOC (table of contents)' label at the top left points to a small icon in the top left corner of the interface.
